PAMELA HIGER-POLANI, ESQ, as the Founder & CEO of **BRAIN BOWL EVENTS, INC.**, a tax-exempt 501(C) 3 not-for-profit organization, warmly invites YOU to attend the **9th Annual Brain Bowl Luncheon!**

PAT DEAN is this year's Honorary Chairperson, which will take place on **Wednesday, February 8, 2023**, from **11:00 am – 1:30 pm at BOCA WEST COUNTRY CLUB.**

This year's theme is "Join Us for the Super Bowl of All Lunches, as we Touchdown and Reach our Goal to End Alzheimer's TODAY!"

BRAIN BOWL remains the only South Florida event which supports other Alzheimer's related non-profits, Uniting All of Us to raise funds and awareness in our local community Specifically, our Mission is to is to Help Raise Awareness, Promote Understanding and Support those living in our community and their loved ones coping with Alzheimer's, Parkinson's, the 100 types of Dementia or a related neurocognitive disorder.

Past beneficiaries include the **LOUIS and ANNE GREEN MEMORY & WELLNESS CENTER** and **THE CHRISTINE E. LYNN COLLEGE OF NURSING** on the **FLORIDA ATLANTIC UNIVERSITY** campus; **ALZHEIMER'S ASSOCIATION**; **THE BOCA WALK to END ALZHEIMER'S** for the **ALZHEIMER'S ASSOCIATION**; **NATIONAL PARKINSON FOUNDATION**; **ALZHEIMER'S COMMUNITY CARE**, **TRI-COUNTY ANIMAL RESCUE**, and most recently...Brain Bowl adopted two dogs on behalf of the **PALM BEACH COUNTY'S SHERIFF'S FOUNDATION**, to help First Responders during Search & Rescue missions when patients with Alzheimer's and Dementia go wandering!!!

Former Dolphin Cheerleaders and Football Players will participate in a fashion show to further honor family caregivers in our community, who sacrifice so much to ensure the health and well-being of their loved-ones with dementia.

Over 600 business, community and political leaders are expected to attend this event to support those on the frontlines of fighting this horrific disease.

In Palm Beach County alone, an estimated 1 in 3 individuals, over the age of 65, is impacted by Alzheimer's disease or dementia. Caring for those suffering from Alzheimer's disease and other forms of dementia poses a huge cost to those in the labor force, in terms of personal stress and lost work hours. Alzheimer's disease and other dementias cost American businesses at least \$61 billion a year, just in lost productivity and remains the only leading disease in our country with no cure or means to slow its progression.

Your Generous Support Will Help Us Change That! Thank YOU!!!
